

## **Hosted Microsoft™ Office Professional Plus 2007 now available in Rentsoft™**

**Basingstoke, Hampshire, December 2009** - The Business Software Centre (TBSC) has signed an agreement with RealTech Solutions Limited, to make its Hosted Microsoft™ Office Professional Plus 2007 solution available in the Rentsoft™ service.

With powerful tools to create, manage, analyse and share information, Microsoft Office Professional Plus 2007 helps individuals and organisations work more efficiently and effectively.

With an easy-to-use user interface called myHosted Applications, RealTech's hosted solution enables you to use Microsoft™ Office Professional Plus 2007 online with a username and password. All you need is a Rentsoft™ subscription and an internet connection. Applications behave as if running locally and can integrate with local printers and drives.

Hosted Microsoft™ Office Professional Plus 2007 includes Microsoft™ Office Word 2007, Microsoft™ Office Excel 2007, Microsoft™ Office PowerPoint 2007, Microsoft™ Office Publisher 2007, Microsoft™ Office InfoPath 2007, Microsoft™ Office Access 2007 and Microsoft™ Office Outlook 2007. There are no additional hardware or software costs and subscribers will be upgraded to Office 2010 free of charge.

Hosted Microsoft™ Office Professional Plus 2007 is available now from Rentsoft Marketplace – the software rental store. Your subscription is free for the first 7 days and prices start at just £23.49 (including VAT) per month thereafter.

For more information and to create a subscription for Hosted Microsoft™ Office Professional Plus 2007, visit Rentsoft Marketplace at [www.rentsoft.co.uk](http://www.rentsoft.co.uk).
